LAST WEEK

SEE IT TO BELIEVE IT

It's a long-standing tradition in our club for the new president to prove his or her mettle while chaos, or something, ensues. One year our new president, who happened to be police chief, stationed his two largest officers in full riot gear by the doors so that no one dared leave while he did his thing. ALMOST PRESIDENT LES PETERSON had developed a first class magic show which he'll unveil this Thursday. Rumor has it that it involves a disappearing act.

LAST WEEK

"THE GREAT DEBATE"

It was a Lincoln and Douglassish moment last Thursday as PETER HOFFMAN in the tan boxing shorts in the far corner and YO MAIWANDI, standing in the near corner in the green shorts squared off in the continuing exploration of our energy dilemma. Maybe we start something by discovering the cure. Heck, either of them are more than qualified to be vice president. Look for more action in the future.

WISHING HER WELL

OUTGOING PRESIDENT CHRIS OWENS continues her recovery post-surgery, and we want her to know that we're all pulling for her speedy return to the fold. Who knows, if LES screws up too badly, we may need to extend her term (just kidding).

ANNOUNCEMENTS

etc., etc., etc.

MARK YOUR CALENDARS

- **October 6th** ARE YOU READY FOR SOME FOOTBALL??? Feast, fellowship and fun. At the home of JIMMY KYPREOS. 1233 E. Sierra Madre in Glendora. Car pooling is recommended. Let's take our new members by the hand and introduce them to the Tradition we hold in such a spectacular setting. Guests and significant others are welcome, and we expect to see everyone who announced the affair to be present.
- **October 25th** is ***Make A Difference Day***. I know Our Club **will** turn out to support this annual event at 8 AM in Recreation Park in front of the Boys and Girls Club.
- **Tuesdays at 4:30 P.M.** come to the YMCA and join CHRIS SHEVLIN and JOHN ANDERSON for a walk or hobble, as the case may be). Hopefully, this will grow and turn into a regular event.

HAVE YOU SIGNED A NEW MEMBER'S APRON YET?

The Marble Madness Game?

In the absence of a Fearless Leader, the tickets were again unsold, the basketball again unviolated, the marbles again unfondled and the big win again remains elusive. Don't worry, the money's safe (*be happy*).

\$ WHINE TIME \$

[CAUTION: THE FOLLOWING WAS PREVIOUSLY BROADCAST]

Unable to withstand the whining, ACTING PRESIDENT LARRY MELLINGER decreed in a democratic way that henceforth there would nary be a single fine last week, and hence there was nary. You birthday and anniversary folk are still at risk.

As this foto shows, LES is rar'n to go.
