THIS WEEK

MONROVIA READS?

Co-Monrovia citizen of the year (along with that guy who appears to be stalking her), Becky Shevlin will talk to us about the incredibly successful program called, appropriately enough, **MONROVIA READS**. Come and find out how we in our town are getting kids to take up and stay up with that most essential skill, reading. The program chair will probably introduce her with a flowery flourish.

LAST WEEK

WHERE YOU DON'T WANNABEE

The shoe guy was unable to make it to our meeting last week. Since we are a resourceful lot we put our only visitor to the task of keeping us entertained. GEORGE KAHL, former Monrovia Fire Chief and Monrovia Kiwanian, was up to the task. After retiring from Monrovia, GEORGE went to the U.S. State Department. He was responsible for inspecting embassies and related buildings so that steps could be taken to reduce the chances and severity of fires. His job took him all over the world, including most of the countries in Africa. He told of some of his adventures and places we would not want to visit, ever. A great program.

IT IS UNANIMOUS AGAIN

CHRIS OWENS is still recovering from surgery; HOLLY GUERIN was at the meeting last week (with a vengeance (see the BackPage "Marble" story) and KAREN STRALEY is still in Canada to be with her mom. Keep them in your thoughts and prayers, and we are unanimous in that!

MARK YOUR CALENDARS

- **October 25th was *Make A Difference Day*.** PRESIDENT LES publically thanked to crew who worked hard to spiff up the landscape surrounding the YMCA.
- **PRESIDENT LES** also reported that those who attended the Haunted Hike were rewarded with plenty of chills and thrills. They give it a “Thumbs Up.”

A MESSAGE FROM THE BOARD

A vote will be taken at our regular meeting on November 6th to confirm or reject the Board of Directors recommendation to charge \$3 per meeting to those members not in attendance.

HAVE YOU SIGNED A NEW MEMBER'S APRON YET?

The Marble Madness Game?

With skill and enterprise, HOLLY GUERIN, ended our agony by selecting the Golden One from the bag. With an impetuous flourish, HOLLY turned all \$411 of her winnings to the Monrovia Youth Alliance-fulfilling a needed miracle there. WAY TO GO HOLLY. Next time it's my turn.

\$ WHINE TIME \$

Our new president, being a man of many words and complete sentences, left himself with no fine time. Rumor has it that he plans to make up for this grievous omission very soon.

BY THE WAY

PRESIDENT LES took possession of FRANK PARK'S apron last week. Woe to those who constituted the “unsigned.” If you haven't yet signed the other two aprons that are “out there” you'd better get on board.

That's all. Have a good week.
