## THIS MONTH/YEAR

### ON THE CALENDAR

- **December 30<sup>th</sup>** : Those who wish to do so, are meeting at 8:00 A.M. at the *Monrovia Family Restaurant* to swap Christmas stories, talk about every thing under the sun and to engage in a bit of Kiwanis fellowship.
- **January 8<sup>th</sup>** Sweet William Callagy's son Dennis and his wife Sybelle will inform us on what's happening across the "Pond" (Atlantic ocean). Dennis, although he grew up in Monrovia, has lived more than half his years in and around Austria. It's always a pleasure to hear their viewpoint on world conditions. Great time to bring a prospective new member.
- **January 15<sup>th</sup>**: Eric Latham, founder of *Walk About America*, will present the program. . In creating this community organization, Latham planned to organize at least one event per year with the purpose of increasing community involvement and awareness of important issues across the United States of America. The 2005 campaign was dedicated to joining the fight against cancer in which Latham literally walked from Nags Head, North Carolina to San Francisco, California to raise money for cancer research. By the time he reached San Francisco, Latham had walked 3,591 miles over 206 days straight and raised more than \$20,000.

**January 29<sup>th</sup>** : Mike Giddings makes his annual visit to Monrovia and, to honor the memory of BOB HAUGH, will join us for lunch and "do that thing he does so well." We become the general managers of NFL teams and pose questions about the prospects of various players and franchises. You don't need to follow football in order to enjoy the program. So read the sports section of your newspaper before the meeting and get ready to rumble.
