THIS WEEK

STOP THE PRESSES!!!

Mike Giddings' program has been postponed from this week to February 12th. Instead this week will be....

.....DR. VIDEO

Mystery member (alias *Dr. Video*) has been surfing the internet in a manner comparable with Google for the funniest, wackiest and profoundest sites out there in cyberspace. Past presentations by the good Doc have been hilarious and very well received. It ain't the Coach but it's gonna be a great program.

LAST WEEK

WANNA BE A FIRE GUY?

SHAWN MORTON proved he's a media producer in addition to being a newly-appointed Fire Captain. His multi-media presentation was a recruiting show directed toward high school students. We learned lots about the requirements, education and career of a fire fighter. Being a paramedic is becoming a requirement for recruits.

THE DREADED VISITORS' SONG

SHAWN hosted three fellow fire fighters who managed to stay for the entire meeting without being called away-possibly a record.

MARK YOUR CALENDARS

- **February 12th** – The program presented by **Mike Giddings** is a wonderful recruiting aide. Bring a prospective member to the meeting with you and let her/him see what a great group we are and how they should get involved in the community.

VOLUNTEERS NEEDED

The Monrovia Volunteer Center (256-8721) is seeking volunteers to help survey the homeless population of Monrovia on behalf of the U.S. Census Bureau. Shifts are available from 8:00 A.M. to midnight on January 23rd. If you're looking for something unusual, call the Center.

The Marble Madness Game?

Nobody seems to now from week to week exactly how the MMG is played or what is should be called. Anyway, **FRANK PARK** thought he'd won a 50/50 only to fail by drawing the wrong thing from the bag.

\$ WHINE TIME \$

Apparently forgetting that he has 10 readily available digits and instead relying on only the fingers of one hand, **PRESIDENT LES** levied nothing but \$5 fines. Those tagged include: **GENE HARTIGAN** for an Alaska cruise; **PETER HOFFMAN** for moving his Mazda store to an undisclosed location and a side trip to Thailand; **ALFREDO MEJIA** for talking at all; **SHAWN MORTON** for achieving captainhood; **BILL WADDELL** for his daughter's safe trip through Southeast Asia; and **FRANK PARK** for a discombobulated attic.

That's all. Have a good week.
