## THIS WEEK

## POLICE OFFICER AND FIRE FIGHTER OF THE YEAR

With JIM HUNT and ROGER JOHNSON presiding, we will recognize honor two public safety employs for their exemplary service to the community during the past year. We need to be as many as possible to show our support of those who risk their lives to protect us. And, **BRING A PROSPECTIVE MEMBER TO THE MEETING.**

## LAST WEEK

## AS GOES THE AUTO INDUSTRY

Sales of new motor vehicles during this April will tell us how deep the current rescission will be. This from multi-franchise automobile dealer, John Hawkins. He described the tremendous pent up market for enough new vehicles just to replace the two million cars that become junk each year. Thanks to PETER HOFFMAN for a most interesting and informative program.

## THE DREADED VISITORS' SONG

PETER HOFFMAN hosted his father, Lathrop, figuring he might be interested in how cars are selling. BILL CALLAGY on his back from his part-time county job treated his "driver" and spousal unit, Kay to lunch. And so we sang the DVS.

## Out of the mouths of babes...

While I sat in the reception area of my doctor's office, a woman rolled an elderly man in a wheelchair into the room. As she went to the receptionist's desk, the man sat there, alone and silent. Just as I was thinking I should make small talk with him, a little boy slipped off his mother's lap and walked over to the wheelchair. Placing his hand on the man's, he said, 'I know how you feel. My mom makes me ride in the stroller too.'

## The Marble Madness Game?

Exercising his royal prerogative, PRESIDENTE LES decreed that what was advertised was going to play "Top the tope." And so LARRY MELLINGER joined the host of previous LOOSERS.

## \$ WHINE TIME \$

Birthday guys absent from the meeting for the wearing of the hat, BILL DILLARD and SLY CARTER were given fines of \$70 and \$62, respectively, on the basis of their guesstimated ages. GENE HARTIGAN 'fessed that the 50<sup>th</sup> anniversary of his first meeting with wife, Sandy, was imminent. JOHN ANDERSEN and Anne are observing their 39<sup>th</sup> wedding anniversary, which always seems to fall during "tax season." Likewise, PHIL HOLMAN and Margie, having been in kindergarten together are celebrating 34 years of marital bliss.

Have a nice week. See you Thursday
