THIS WEEK

DIESAEL USE IN CALIFORNIA

Dr. Diesel, an acknowledged expert on the current tumultuous energy situation will speak to us on the use of diesel fuel in California. The rumor is that the good doc will be using the notes YO MAIWANDI didn't get to use a few months ago because PETER HOFFMAN spoke up. By attending this week you will become smarter and live longer.

And, **BRING A PROSPECTIVE MEMBER TO THE MEETING.**

LAST WEEK

PUBLIC SAFETY STARS

With a bit of fanfare and descriptions of service above and beyond the call of duty, Dave Phillips was introduced as Monrovia Fire Fighter of the Year by Chief Donovan. Dave's wife, Lana and many of his colleagues were on hand to celebrate. JIM HUNT, on behalf of himself and ROGER JOHNSON, announced via a multi-media presentation that

Javier Leon was Monrovia's Police Officer of the Year. Both were given commemorative plaques and the sincere appreciation of the KIWANIS CLUB (on behalf of the citizens of our fair city) for their service.

THE DREADED VISITORS' SONG

With several cops and fire fighters joining us for lunch, the names escaped me. However, we did render a rousing version of the DVS.

The Marble Madness Game?

Anxious to prove that he is the Decider, PRESIDENT LES dictated that the tops be kept in the vault while a 50/50 game took place. One of our guests, fire fighter Rudy Libre won the cache.

\$ WHINE TIME \$

Birthday guys absent from the meeting and (temporarily) avoiding the ancient ritual of the wearing of the hat were FRED BOWDEN, SHAWN MORTON and WAYNE

McNULTY. Respective fines of \$68, \$35 and \$85 were levied on the basis of their guesstimated ages. Birthday gal, CHERYL REYNOLDS, agreed to a \$41 assessment provided she could wear the Birthday Hat. She could and she did. LOUISE TAYLOR'S anniversary was mentioned but I didn't attach it to a fine.

Have a nice week. See you Thursday
