## THIS WEEK

### Somethin' fishy goin' on!

Program Chair SHAWN MORTON will be bringing a representative from the FRVC (Fisheries Resource Volunteer Corp) to speak about saving our local rivers, streams, forests, wildlife, etc. The speaker is his father, Webster Morton. SHAWN indicates that he is very talkative and very excited about the opportunity to speak to the group. Come with your question. **Don't forget to bring a prospective new member.**

## A NEW MEMBER

With trumpets blaring and cannons firing in the distance, we welcomed JACEN CREHAN into our club. He is associated with Century 21 Adams and Barnes and lives in Monrovia with his wife and daughter. KAREN STRALEY introduced JACEN and BILL WADDELL served as inductor. JACEN was given, with other stuff, an apron so don't forget to earn your right to inscribe your name thereon.

## LAST WEEK

### PROFESSIONAL POGOSTICK JUMPING????

We were enthralled as Dr. John Tanner, CEO of the eponymously named Tanner Research, talked about the work that goes on right here in Monrovia. Chips designed with Tanner software are tooling around both on the surface and in orbit on Mars. While most of us weren't familiar with some of the scientific lingo, we all understood and "wowed" the professional grade prototype pogo stick which John is now adapting for licensing to a toy company. On a video it looked like the "pro pogo sticker" was able to get about eight feet off the ground. Very cool.

## THE DREADED VISITORS' SONG

Proud mama, Karin Crehan, was on hand to see her son inducted into what PRESIDENT LES keeps telling us is the greatest service club in the galaxy and beyond.

## ANNOUNCEMENTS

*etc., etc., etc.*

## MARK YOUR CALENDARS

- April 18<sup>th</sup> is our **KIWANIS ONE DAY**, when every able-bodied member is to report to Canyon Park (8:00 A.M.) with gloves to spiff things up a mite. The Key Club will be joining us. Group lunch at Noon. Beverages and tools will be provided.
- **DON YOST** is tentatively scheduled for surgery this coming Thursday. **BILL CALLAGY** is reported to have had a successful surgery and may get home before **DON** checks in. Both of these brothers still need our prayers and good vibrations.
- This Thursday is the last chance to donate to the American Cancer Society through the **RELAY FOR LIFE** event. Anyone intending to walk the walk should contact **ERIC FAITH** so he can report to the coordinator.
- **\*\*\* IT'S MAGIC \*\*\*** We are puttin' on a Magic Show next Fall. Direct from Las Vegas the husband and wife performers create some spectacular "illusions" that amaze and amuse and they are family oriented. Save the date of November 4<sup>th</sup>.

## The Marble Madness Game?

**RYAN** (Mr. "Hollywood") **GARCIA** spoiled all the fun by either correctly naming the last three prime ministers of Latvia or pulling the pink umbrella from the bag of wonders (to the tune of \$136. Guess we start from scratch next week.

## \$ WHINE TIME \$

**FRED BOWDEN** was missed for \$15 as a matter of principle and offered to raise it to \$50 if **LES** would self-asses for \$10 because overlooked.

He (**LES**) did and he (**FRED** did to. **FRED** still had to endure the humiliating wearin' of the **B DAY** hat. The wearin' was shared with **FRANK PARK** whose age matched the route of the "Mother Road." Along with **RICK ZOOK** who matched his age with \$'s.

Kudos to **RICK ZOOK** and his team for hosting and feeding us at the conclusion of March Madness. The game? A blowout. The fellowship and food? Priceless.

**Have a nice week. See you Thursday**
