SEARCH & RESCUE

Did you ever wonder what it took to be a member of a search and rescue team? Suffice it to say that the challenges involved in getting stranded hikers off of some of the steepest mountains in the world require incredible stamina, skill and resourcefulness. JEFF FORD has arranged for a speaker from the renowned Sierra Madre Search & Rescue Team to tell us the story behind the headlines. **Think of someone you could host as a prospective member and invite her/him to the meeting.**

LAST WEEK

THE EXPERTS IN OUR MIDST

The economic depression that some say still threatens us all was triggered by the unsustainable run up of the real estate market and the irresponsible creation and use of derivatives by the greedy bandits who take up space on Wall Street who gouge us for their million(s) dollar "bonuses" and who then hold out their hands for government bail outs. Our panel of real estate experts, JACEN CREHAN, KAREN STRALEY and ALFREDO MEJIA, enlightened us on how screwy things remain and the possible effects of a great many "ifs" that could occur in the near future.

THE DREDED VISITOR SONG

FRANK (*Take the shot*) PARK introduced the visiting Bill Scholty, which dictated we sing the DVS. In an unprecedented departure from tradition and practice, the ritual was led by a sitting president.

Nov 12th Our program will be an EDUCATION MEETING designed to get the red off of **NEWBY** badges and remind **OLDIES** of what we're all about.

THE 50/FIFTY

Proving that her expertise extended well beyond real estate, **KAREN STRALEY** proved she can conquer the odds and win the 50/50 an uncanny number of times as she took home (that is, donated) the golden pot again last week.

WHINE TIME

In his first real effort at levying fines, **PRESIDENT RYAN** achieved a consensus B-. more than enough to return next week and continue to dance with the stars. Victims of **RYAN'S** early efforts included **EX PRES LES PETERSON** (\$10 for a trip to middle north California), **KURT MADER** (\$1 for each of 67 years of wedded bliss to Lora), and

KAREN STRALEY (\$20 for having been married for (only) 16 years).

CHERYL REYNOLDS was not fined cuz she ~~bribed~~ honored **PRESIDENT RYAN** with a memento of her recent travels.

BOARD MEETING NOTE

At last week's meeting your (Foundation) Board of Directors authorized the expenditure of \$500 for books to be given out to kids when **KIWANIS SANTA** visits their school before the holidays.
