THIS WEEK

EVERYTHING YOU WANT TO KNOW ABOUT KIWANIS BUT WERE AFRAID TO ASK

Contrary to popular belief, KIWANIS did not arise from the turmoil in central Europe following the Treaty of Ghent. But it could have. This week we'll all (red dot or no) learn of KIWANIS – the myths, the protocol, the traditions and the history. It will defiantly be audience participation cuz only DON YOST already knows the stuff. Let get everyone's "red" out and maybe learn the origin of the **Dreaded Visitors Song**.

LAST WEEK

THE IRS IS OUR FRIEND?

JOHN ANDERSEN proved himself a most able public speaker and teacher as he fended off the withering cross-examination of PRESIDENT RYAN who wanted the whole Internal Revenue Code summarized within the parameters of a *Tweet*. Bottom line, the system is a complete mess, and it ain't gonna get any better very soon.

THE DREDED VISITOR SONG

The Dreaded Visitors Song again kept its place atop the music charts as we sang it for George Brock, the guest of a member who declined to provide a name.

'Twas Magical

Thanks to the indefatigable efforts of one LES PETERSON and his several helpers the Magic Show was a boffo event. It was as advertised, and more as we laughed as much at the funny bits as we "aaawed" at the magical illusions. Hopefully, we can secure another visit and see how much the kittens have grown.

ANNOUNCEMENTS

etc., etc., etc.

MARK YOUR CALENDARS:

- Dec 10th The Citrus Singers visit us. Cost is \$30 which will cover the costs and help fund scholarship.

- Raffle gifts (prizes) needed!

As stated above, The Citrus Singers will be with us on 12/10. If one remembers last year we added a small raffle of 3 gifts. Within 20 minutes we enriched our coffers by \$800. This year the Board of Directors upped the raffle gifts to 6. Trader Joe's in the form of a \$50 gift basket has already approved us for one of the gifts. We need 5 more. This is an easy way to help Ryan and Our Club have even more funds to do great things this year.

- ATTENDANCE at meetings is always an issue as we approach the holidays. On December 3rd ANDY BENCOSME will bring us a representative of a company that makes laser devices. This, and the other great programs we enjoy deserve a great audience and that's us.

THE 50/FIFTY

As she finishes packing up for her move to greener pastures (by the Sea), CHRIS OWENS beat the odds and will take some of our with her. Way to go, CHRIS!!!

RYAN RULES

ALFREDO MEJIA'S trip to Bermuda (thanks to Pepsi) and lengthy recollection of same cost him \$20 that went to \$40 by the time he relinquished the microphone. KAREN STRALEY, CHRIS SHEVLIN and FRED BOWDEN were all given the chance to donate half of their Monday Nite Football winnings to the cause. Looks like \$15, \$10 and \$50, respectively, but we could be wrong. The absent MIKE DONNELLY and PETER HOFFMAN both recently observed birthdays and fined a "buccaneer". MIKE is 100 years old, and PETER is half that. Miss a meeting during your birth month at your risk.
