THIS WEEK

“DR. TAYLOR TO THE PARTS DEPT.”

Having fully (or maybe only partly) recovered from her spectacular retirement party, LOUISE TAYLOR and a crew from the MHS auto shop will show and tell us what they are doing and learning. At her party, LOUISE learned that the renovated auditorium at the high school will bear her name (recall our fellow KIWANIAN, BOB HAUGH), and she received just about every plaque and certificate available, with only one notable exception-the KIWANIS perfect attendance pin. This may our last chance to wish LOUISE well, so let's turn out in force.

Besides Louise's visit, the MHS Auto Shop "team" will be our featured program. They just finished competing in a statewide competition on which school (college or high school) could make the most fuel-efficient vehicle. Our MHS students (who will be with us) finished near the top of the competition.

LAST WEEK

THE NEW GENERATION

Recipients of our scholarships were on hand to tell of their hopes and ambitions for college and beyond. Matthew _____, David Zook (yes, the same) and Jose Ortiz were very articulate speakers. Recipient, Juan Freitas, who'd been leading a pretty anti-social life, spoke of his turnaround thanks in large measure to the YMCA Youth Alliance. We

also viewed a video that brought out the tremendous stress kids are experiencing because of the recession our country is experiencing. JIM HUNT, ULISIS GUTIERREZ and CHERL REYNOLDS are to be commended for their work as the Scholarship Committee.

THE DREDED VISITOR SONG

We don't remember whether the DVS was sung or not, but we were honored by visits from two long-standing members of our club. DR. BILL DILLARD'S attendance proved conclusively that he really exists. Norm Cerswell whose job kept away from us dropped by to inform us that he maybe can rejoin if things work out OK.

MARK YOUR CALENDARS

- The YMCA Youth Alliance is having a Graduation Banquet on June 19th and we're all invited to attend. Let's show our support.
- *** * MAGIC * *** We are puttin' on a Magic Show next fall. Direct from Las Vegas the husband and wife performers create some spectacular "illusions" that will amaze and amuse children of all ages. Save the date - November 4th.
- **CHERYL REYNOLDS** has undergone surgery, and we need to keep her in our thoughts and prayers.

The Marble Madness 50/50 Game?

(Hello) HOLLY GUERIIN was last week's Big Winna. She held onto the loot for about ten seconds before bestowing it on ULISIS Kids.

\$ WHINE TIME

Mortgage mogul DIANE BALSAMO brought to everyone's attention the fact that she held her wedding reception in "this very room" lo ten many years ago. Assessed a \$20 fine, she upped the ante to \$50, bringing on the usual presidential disclaimer: "*Blah, blah, fines, blah, blah, how much, blah, blah, limited, blah, blah, blah.*"

**Have a nice week.
See you Thursday**
