THIS WEEK

“MR. MAIWANDI TO THE PARTS DEPT.”

To know YO MAIWANDI is to know a true *Renaissance Man*. Fluent in 16 languages (*but who's counting?*) and knowledgeable on every topic in Wikipedia. YO, who celebrates an anniversary within the week, promises a program that makes full use of his many talents.

LAST WEEK

IS MONROVIA SILICON VALLEY SOUTH?

T'was an oft repeated story: a group of (mostly) guys from (NASA/JPL/Cal Tech) found a new, highly technical company located the Pasadena area, soon require more space at a lower rent, move into a town they'd never before even heard of, and love it here. Soliant Energy is just such a company, and we heard from executive vice president Michael Deck all about it. In a nutshell, they will manufacture, market, install and maintain new and much more efficient solar panels for commercial buildings.

THE DREDED VISITOR SONG

Accompanying Mike Deck was his co-worker, Peter Norton. From the California Scratch Pad Co. we met Joe Amagrande. Also on hand was Karin Crehan our Chamber exec. Wisely waiting for us to come down from our post-visitors' song high, Becky Shevlin joined us.

ELECTION RETURNS

Hastily (so they couldn't decline) the following were democratically (?) elected to office for the 2009-2010 KIWANIS year:

President: RYAN GARCIA

Vice Present: ALFREDO MEJIA

Secty/Treas: DON YOST

Board Members

2 Year Term HOLLY GUERIN CHRIS SHEVLIN

MARK YOUR CALENDARS

- **ERRATA:** Please note that the Steak and Auction will take place on August 28, and not the 23rd. We humbly apologize for any inconvenience we may have caused.
- *** * MAGIC * *** We are puttin' on a Magic Show next fall. Direct from Las Vegas the husband and wife performers create some spectacular "illusions" that will amaze and amuse children of all ages. Save the date - November 4th.
- It was great to see CHERYL REYNOLDS at the meeting and to *hear* (pun intended) that she is recovering well from her recent ear surgery.

HOW ABOUT we continue to keep CHERYL and DON YOST in our thoughts and prayers?

The Marble Madness 50/50 Game?

DON YOST was the BIG WINNAH!!

\$ WHINE TIME

Rollin' down the river, PRESIDENT LES took up fining with a vengeance. CHERYL REYNOLDS was fined \$50 for enduring the pain and suffering of surgery. ERIC FAITH was treated like a Gitmo prisoner before being nailed for \$50. Absentee anniversary peeps included LARRY McCURLEY (\$13), NORM SHAFER (\$40) and SCOTT OCHOA (\$40). By blatantly tendering bribes to PRESLES, JULIE GENTILE and ANDY BENCOSME escaped further attention.
