## THIS WEEK

### Hunting and/or Wrestling

That builder of fine homes and other structures FRED BOWDEN will be front and center this week. He'll either relate tales of daring do while hunting wild fowl or be presenting the Monrovia High School Wrestling team. Either way it sounds like an exciting half an hour. I wonder if FRED has thought about combining to two...let's see, how about hunting down a live ostrich and then mud wrestling it! See you Thursday!

**Don't forget to invite a prospective new member.**

## LAST WEEK

### INTRODUCING LINDA WAGNER

Not only did we induct and welcome LINDA into Our Club but she then turned around and gave the first part of last week's program. She related to us a few of the programs that MUSD is involved in. The next portion of the program was Duke Freyermuth, a retired educator, who is the coordinator for the school district's tutoring program. The tutors are students from Citrus, PCC and Cal Poly. They receive compensation for their services from a federal funded program. Last year a little over 200 tutors gave 20,476 hours of their time to Monrovia students. Many thanks LINDA for becoming a member and arranging this program.

## THE DREDED VISITOR SONG

Although Duke Freyermuth was part of the program last week I asked FRANK PARK to please introduce him, which he did. That way we got to sing the DVS (dreaded visitors song) led so well by the cousins ALFREDO MEJIA and RYAN GARCIA.

## **The Marble-Madness 50/50 Game?**

ULISES GUTIERREZ was the winner of the mega millions 50/50 jackpot. When asked what he was going to do with the winnings he politely stated, "I'm going to Disneyland!"

## **\$ WHINE TIME**

**PRESIDENT LES** didn't get much of chance to help the Kiwanis coffers last week due to a busy schedule. He was going to let the fining slide until he heard **CHRIS OWENS'** cell phone go off, now that's a no-no. Seeing **CHRIS** remove herself to take the call was a very nice act of manners, so he only dinged her \$5. Wait until this week, **PRES. LES** has some fining ground to make up.

## **THIS AND THAT**

**HOLLY GUERIN** was back with us. Her eye surgery went well. I wonder how the other person looked after the catfight. **Jeff Ford**, new member to be, is recovering at home after his back surgery. Hopefully he'll be back with us very soon.

**CHRIS SHEVLIN** informed us that the YMCA Parking Lot Sale netted \$1600, thanks to all who contributed items.

A word to the wise if you happen to phone **ERIC FAITH** while he's playing tennis on the Wii be prepared to get a terse greeting. Bottom line is don't mess with **ERIC** when he's in the middle of a video game and he's losing.

Our condolences to **ANDY BENCOSME** and his family in the recent death of his Mother, please keep **ANDY** and the family in your thoughts and prayers.
