THIS WEEK

Unlocking Secrets to Prosperity in a Recession

HOLLY GUERIN, chairperson of the week, presents Jill Masters. She will discuss how social networking applies to business, the importance of identifying target markets and what the search engines look for today. This presentation is recommended for both individuals and businesses that are looking for alternatives to the status quo in terms of dealing with a down economy.

Why not bring a prospective new member to the meeting?

LAST WEEK

THE RASSLIN' TEAM

FRED BOWDEN conjured up a truly inspirational presentation by the coaches and four of the MHS wrestling team. Year around training and tournaments, highly qualified coaches and plain old hard work are paying off for a team that is expected to go far in the CIF tournament next year. It is obvious that the

coaches are teaching life lessons that will carry them through life long after they graduate from high school.

THE DREDED VISITOR SONG

We sang **THE SONG** for the benefit of the visiting Lisa Murphy, introduced by CHRIS SHEVLIN, and Valerie Parsons, who will attend meetings as the school district's representative. WELCOME.

MARK YOUR CALENDARS:

- **Aug 29th SON OF WINE TOUR** is taking reservations. Travel south to the Temecula area in air-conditioned comfort while partying the whole time. They'll also be an "educational" visit going to the Pechanga Casino that's part of a native American reservation.
- **Sept. 24th The Demotion Party** will take the place of our regular meeting. Starting at 6:00 p.m. you will see LES thrown out of office and RYAN installed in it. There will be a tribute to LES by the Monrovia Kiwanis All Stars that you won't want to miss.
- *** * MAGIC * *** We are puttin' on a Magic Show next fall. Direct from Las Vegas the husband and wife performers create some spectacular "illusions" that will amaze and amuse children of all ages. Save the date - November 4th.

The Marble Madness 50/50 Game?

BILL WADDEL was once again the winning ticket holder – bringing his overall total to almost the three-digit range.

\$ WHINE TIME

Yours trooly

was again victimized by PRESIDENT LES, this time for \$42, merely because I attended a wedding that many years ago. KAREN STRALEY attended a birth 55 years ago and was assessed accordingly. FRED BOWDEN'S acquisition of yet another classic car triggered an \$80 response. CHRIS DATOLA was also involved in a birth, costing him a carefully crafted \$25 tab. The absent ROGER JOHNSON was fined \$200, although why LES would want to "p---s off" the Chief of Police in that way is beyond comprehension. FRANK

PARK was nailed for \$25, probably for his recent test weekend in his new 5th wheeler.

CASTING CALL

DO YOU HAVE TALENT? If so we'll take you anyway. DO YOU LACK TALENT? You're just who we're looking for to reconstitute the **KJWANJS PLAYERS** to perform at the Sept 24th **DEMOTJON PARTY**. See or contact ERIC FAITH before he sees you.

Anyway have a nice week. See you Thursday
