This week's "program" will consist of a revival of a classic Greek tragedy as performed by The Infamous Kiwanis Players have been learning the language of ancient Greece language so their performance will be authentic, albeit completely unintelligible to the viewer. Hence, it will all be "greek" to the audience. Be sure to bring your English/Greek dictionary.

LAST WEEK

THE STORY FROM ANOTHER ANGLE

Probably our most interesting member, YO MAIWANDI, told us how he became entangled with the 100 MPH crash of a \$1 million Ferrari from which the (alleged) sole occupant walked away, "homeland security, and some (to be kind) true "characters.: All YO wanted to do was help some folks out and he found himself in a real mess helped along by the press. He ought to write a book and express his choice of actor to play him in the movie.

THE DREDED VISITOR SONG

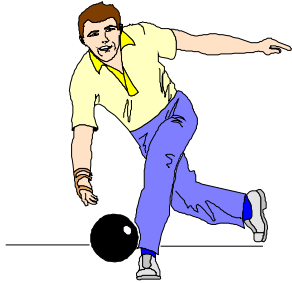

Kay Callagy was introduced as the driver/body guard of one WILLIAM (same last name). A school administrator named Flint was also on hand. The DVS was rendered in it's customary full throttle,.

The Marble Madness 50/50 Game?

FRANK PARK was last week's big winnah even though there's no photographic evidence of his big win,

\$ WHINE TIME

FRANK was compelled by PAST PRESIDENT JOHN HARBICHT to give back some of his winnings. \$8 was the initial levy. Then we heard a new phrase "general principles." It apparently means that a finor can fine a fine in an amount that is determined by the finor and for no reason at all. Sound familiar?? Does the name Fidel Castro come to mind. Does the way we do it come to mind? General Principles tagged FRANK PARK (\$10), ERIC FAITH (\$10). ROGER JOHNSON (\$20) and ALFREDO MEJIA (\$10). Everyone without a name badge handy was assessed \$2 in the memory of PP JOHN'S dad, BOB.
