## THIS WEEK

### BRING A GUEST DAY

The SHEVLIN CHRIS has volunteered to ask Harry camp to speak to us. He, Harry, gives entertaining, informative and passionate programs. Why not a friend bring? (Help, I've been "Yodaized.")

## LAST WEEK

### THE STATE OF THE ???

Since editorial "we" were among(st) the first to leave, we can't certain be, PRESIDENT RYAN's first meeting in office was horribly marred by a mass walk-out, just as he started to reveal his hopes and dreams for the upcoming KIWANIS year. Guess he'll have to figure out how to get a handle on things to avoid similar breaches of decorum. He could'a stationed armed guards at all the exits as a previous president did, and nobody even tried to leave.

## THE DREDED VISITOR SONG

The meeting was probably not the best one to have invited a visitor. However, ALFREDO MEJIA, ever optimistic, hosted Archie Schrader (? spelling). Mid(st) all the chaos that prevailed, the DVS became our anchor, whatever that means.

## THE 50/FIFTY

It was probably rigged to express our appreciation for putting on the DEMO Party, and thus did the OWENS CHRIS walk away (early it is assumed) with the 50/50 fortune.
