THIS WEEK

WELCOME TO "TWENTY-TEN"

Who knows what will happen in the New Year. The only sure thing is that there will be incidents both good and bad with a lot of stuff in the middle. As KIWANIANS our job is to bring about the good and not settle for either of the other possibilities. As to the first program of T-T, the suggested title might be "**Injunction Junction anybody?**"

LAST WEEK

THE TALE OF A REF

As invariably seems to be the case, the talks by our members are both informative and entertaining. JOHN HARBICHT spoke enthusiastically of the work being done by a group named the *Equestrian Response (Rescue?) Team*. They help move horses away from our frequent wild fires and then care for them until the danger passes and they can return home. JOHN also gave us a behind the scenes view of how the equestrian units in the Rose Parade are handled before and after their stroll down Colorado. And, the story about the circle of soccer players singing to the Ref was really neat.

THE DREADED VISITOR SONG

Having sung the DVS to so many the previous week, it was decided by the "powers that be" that no visitors = no DVS.

More Stuff You Need to Know...

HELP BUILD OUR FLOAT

The KIWANIS Rose Committee is selling Christmas ornaments in order to raise the funds needed to build our float. The cost is only \$15 and you can call (714) 328-2410

FRED BOWDEN has undergone major surgery and our thoughts and prayers for a full recovery are with him and his family.

WHINE TIME

JULIE G took home the 50/50 to wild acclaim. She also gifted PRES RYAN with what looked like a fez. So long as he stays out of Turkey he should be OK with his fez, the wearing of which has been legally prohibited since the 1920's.

So that our staff can enjoy the holidays the next issue of the NEWS will be following the January 7th meeting. Have a jolly Christmas and may you prosper in the NEW YEAR.
